YOUR VOICE YOUR VOTE YOUR CHOICE

A NEW WAY TO VOTE IS ON THE WAY!

One of the most exciting parts of serving as Orange County's Registrar of Voters is seeing voters' reactions when they have a positive experience.

Our voters tell us that the two most important factors they consider when casting their ballot are simplicity and security. As we move to Vote Centers in 2020 it means that we are bringing more choices to voters on where, when and how they would like to cast their ballot. It means opportunities for not just smoother operations, but to enhance the voter experience, take the hassles out of voting and providing a more secure environment.

My team and I look forward to helping you cast your ballot with ease – we appreciate you and thank you for continuing to trust us with your ballot.

Happy voting!

Neal Kelley
Registrar of Voters
Orange County, CA

WHAT IS A VOTE CENTER?

In-person voting and much more.

The voting experience at a Vote Center is somewhat similar to voting at a traditional polling place; however, there are many more benefits. You'll have the opportunity to vote at one of nearly 200 customer service centers located throughout Orange County – options include the opportunity to vote for 10 days prior to any election day, including Saturdays and Sundays.

You'll be greeted and checked in electronically – with all of your voter data at our fingertips we'll be able to solve any problems quickly. Casting a ballot is also quick and easy, plus you can drop off your completed vote-by-mail ballot at any location.

As we make the transition to Vote Centers we believe that by offering the best customer service, a smooth process and a secure environment we will meet voters' needs throughout Orange County.

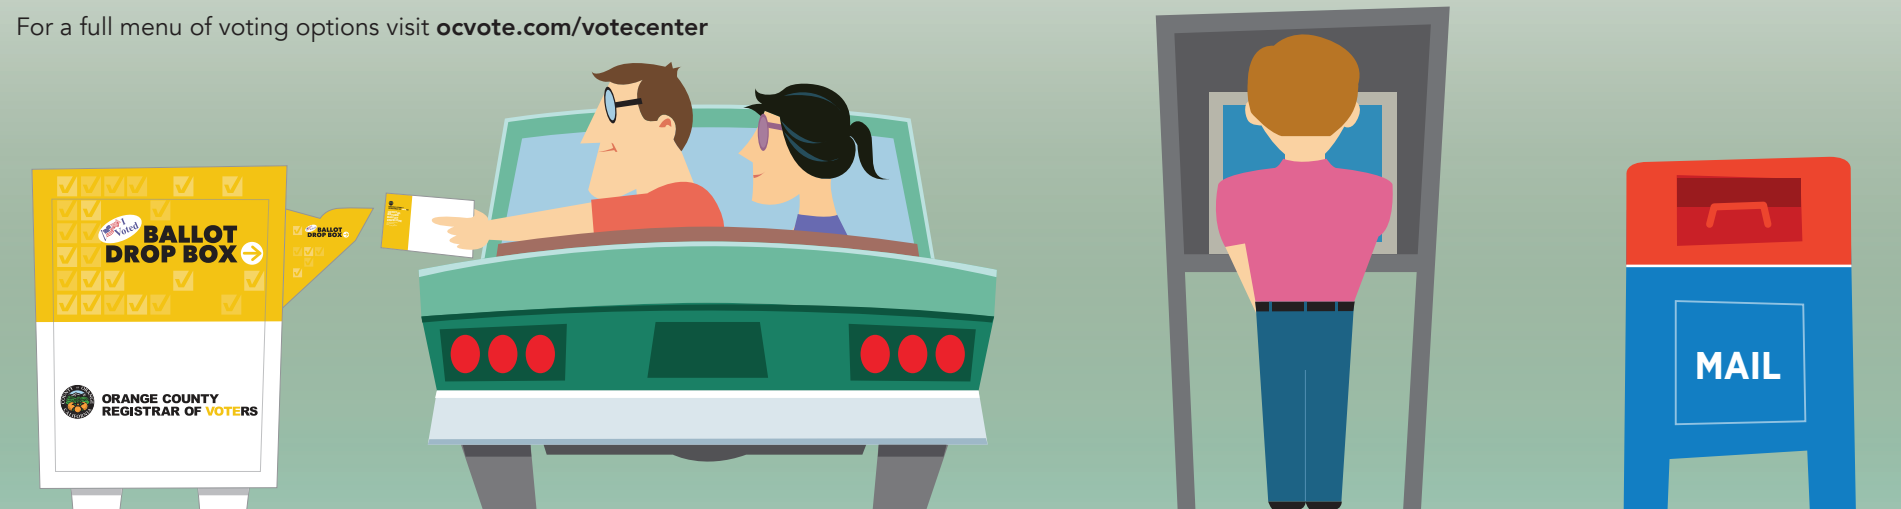

VOTING OPTIONS

Options match your schedule, not ours.

Vote Centers mean many more options for voters. Elections are no longer a one-day event. Voting begins the month before any election day when every voter will receive a vote-by-mail ballot. Take advantage of the alternatives available to avoid congestion – from voting-at-home, drive-thru ballot drop-off, in-person options, returning your ballot via United States Postal Service, or personally deliver your ballot to us – the choice is yours.

INFORMATION AT YOUR FINGERTIPS

Resources to keep you well informed.

As we move to Vote Centers voters will have lots of information to help inform their decisions – from where Vote Centers are located to ballot dropbox locations.

Prior to any election day, every voter will receive a Voter Information Guide, which will include information on the election, candidates, where to vote, how to vote and more.

Plus, each voter will receive a vote-by-mail ballot that will include detailed information on options for casting a vote-by-mail ballot, or choosing instead to vote in-person.
