

VICENTE SARMIENTO

Santa Ana Mayor/Businessowner

Mayor Vicente Sarmiento has the values, experience, and vision to be our next Orange County Supervisor. His “neighborhoods first” approach propelled him to victory in the June primary by a wide margin over his opponents.

Raised in central Orange County, Vicente attended local public schools, and returned to his hometown, Santa Ana, to start a business and raise his family after college. As Supervisor, Vicente will improve the quality of life for all residents by tackling rising prices, keeping our neighborhoods safe, and making housing affordable.

Mayor Sarmiento will take on rising costs and inflation. He helped renters and small businesses get the financial aid they needed during COVID, and secured hazard/hero pay for our essential frontline workers. As a Councilmember, Vicente led Orange County’s second biggest city through the great recession while protecting homeowners. As Mayor, he balanced the city’s budget, increased its fiscal reserve, and created a surplus of over \$42 million.

As a father, Mayor Sarmiento believes everyone deserves to feel safe in their neighborhoods. He has implemented strategies that keep our schools, parks, and sidewalks safe, while getting people experiencing homelessness the mental health services they need.

That’s why law enforcement and the California Attorney General trust Vicente to keep Orange County safe.

Vicente will always stand with working families because people deserve a paycheck they can raise a family on, and a safe workplace. He also created a universal legal defense fund to help immigrant families stay together.

As Supervisor, Vicente will usher in a fresh start for Orange County by delivering on the issues most important to residents, including:

- Reducing the Cost of Living and Rising Prices
- Tackling Homelessness
- Protecting Our Neighborhoods
- Making Housing Affordable
- Improving Public Health Care
- Expanding Our Parks & Green Space
- Increasing Government Transparency and Accountability

Mayor Sarmiento earned a BA in Economics from UC Berkeley, and his law degree from UCLA. He proudly returned home to Santa Ana with his wife Eva to raise their three kids & dog “Magic,” start his own law practice, and enter public service to improve his hometown.

Please join Teachers, Nurses, Law Enforcement, Local Businesses, the Orange County Labor Federation and neighbors in supporting Mayor Sarmiento’s campaign for a brighter and more prosperous future for all in Orange County.
