

FRANK BRYANT

Incumbent

I have been a resident of Villa Park and a customer of the Serrano Water District for more than 45 years. After being elected to and serving on the Board of Directors, I know that if reelected, I can and will continue to represent your interests while conducting the business of the Board of Directors of the Serrano Water District.

I am a Vietnam Veteran (United States Marine Corps) and a retired airline pilot with a Bachelor of Science Degree (Physics) from California State Polytechnic College, San Luis Obispo. I have a background in engineering, estimating and construction management.

It will be my goal as a Director to continue helping guide the Serrano Water District so that it operates as efficiently as possible, yet maintaining the quality of service you deserve while delivering a product that meets or exceeds the highest of standards.

Thank you
