

PHILLIP CHEN

REPUBLICAN

Assemblyman/Business Owner

As your State Assemblyman and a proud small business owner, I'm leading efforts to reduce the high cost of living, stop crime, keep taxes down, hold government accountable, and lower the costs of healthcare.

To combat rising inflation, I am working to reduce the cost of energy and gas by decreasing our dependency on foreign oil. Moreover, I'm working to create more opportunities, better paying jobs, and a stronger middle-class here in California.

Property crime is on the rise in California due to AB 109, Prop. 47 and Prop. 57, which lowered penalties for crimes to misdemeanors and allowed for the early release of felons.

As a former Reserve Deputy Sheriff, I am working on reversing these disastrous policies by supporting legislation to hold criminals accountable, stop "smash and grab robberies," and ensure our law enforcement personnel have the resources to keep our communities safe.

That is why the Association of Orange County Deputy Sheriffs and Orange County Professional Firefighters have endorsed me.

To protect our tax dollars, I have been a fierce defender of Proposition 13, opposed schemes to raise your taxes, and demanded audits of state agencies to stop waste, fraud, and abuse.

Healthcare costs too much. That's why I backed the most comprehensive drug price transparency bill in U.S. history to make prescription drugs more affordable.

I would be honored to earn your support and your vote.
