

**DIANE DIXON**

**REPUBLICAN**

Member of the Assembly

Two years ago when you trusted me with your vote my pledge was to provide fresh, commonsense leadership, work in a bipartisan manner to get things done and put the self-serving Sacramento establishment in check. I have kept that promise.

Working across party lines, six of my bills reached the Governor's desk and were signed into law. These ranged from government reform and cost-cutting efforts, to delaying late vehicle registration penalties and to increasing opportunities for charitable giving.

I exposed how unelected bureaucrats in California are targeting small businesses, using the story of the Balboa Ferry to highlight government overreach, and showed how unfunded state mandates are harming Californians.

I voted for tough bills to crack down on fentanyl dealers and sex trafficking, voted to stop the Governor's gas and oil tax increase, authored a bill to cut taxes on school supplies for families and worked to make sure disabled veterans can get their property tax exemption, saving them thousands of dollars.

I kept my commitment to protecting Orange County's beaches and environment, bringing in more than \$1.6 million in funds to complete Orange County's first trash wheel, to prevent debris flowing into the ocean and securing \$1.2 million to improve beach accessibility.

There is still much work to be done to get our state back on track. We need to toughen our laws against crime, lower the tax burden and protect our border. I'm honored to represent you and humbly ask for your vote. Please visit [www.DianeDixonforAssembly.com](http://www.DianeDixonforAssembly.com). Thank you.
