

**ED LOPEZ**

Governing Board Member, North Orange County  
Community College District, Trustee Area 2

I am a native Californian and 23-year resident of west Anaheim. I teach political science at Irvine Valley College and hold a law degree and master's degree in public administration. Previously, I served in the Clinton administration and as staff counsel to a U.S. Senate committee.

Since 2016 it has been my honor to serve you on the Board of Trustees of the North Orange County Community College District. As your trustee, I have worked to:

Make Cypress College and Fullerton College among the best community colleges in California and ensure their fiscal stability

Maintain high academic standards to foster the success of our students transferring to universities

Strengthen our vocational programs in partnership with area industries to satisfy their workforce needs and place students on paths to good-paying jobs

Improve sustainability of our campuses by raising environmental standards for new construction and instituting installation of solar panels and electric charging stations in parking lots.

I ask for your vote so that I may continue efforts to promote the success, fulfillment, and civic engagement of our students and to provide educated employees and skilled workers to California businesses. I will do so mindful that I serve two constituencies first and foremost — students and taxpayers. Thank you.
