

STEVE SLAWSON

Parent/Orange County Businessman

With over 27 years of experience in business and education, I'm uniquely qualified to serve to be your North Orange County Community College District Trustee. My wife and I are proud parents of three children who attend schools in Northern Orange County.

I have a long history of volunteering for local schools, including soccer, karate, tennis, and track teams with my children. I also served on the Placentia-Yorba Linda Unified School District Equity Committee, and Placentia-Yorba Linda Unified School District Health and Safety Committee. I'm dedicated to our community's students.

I'm not a politician; I'm a concerned citizen, businessman, and parent committed to giving back to our community.

As your representative on North Orange County Community College Board, I'll be a strong advocate for parents and students:

- Provide every student with a high-quality education
- Take political agendas out of the classroom
- Empower parents as partners in their child's education
- Ensure all graduates are ready for the workforce
- Provide a safe learning environment for students and teachers
- Ensure a balanced budget

I am supported by local teachers, local parents, and local businesses.

I love our community. I have worked hard, pursued an education, and started a successful business. I want to ensure every student has the same opportunity to succeed.

I respectfully ask for your vote.
