

CECILIA "CECI" IGLESIAS

Educator/Policy Advisor

Rancho Santiago Community College District (RSCCD) Trustee Area 3 has been my High School and Community College home. I have an Associate's degree and Sign Language Education degree from Santa Ana College. I received a Bachelor of Science in Human Services from Cal State University- Fullerton and a Master's degree in Public Administration Public Policy.

As Santa Ana Unified School District Trustee and Santa Ana Councilwoman, I strongly advocated for parents, students, residents and protected the taxpayer.

As your Rancho Santiago Community College Trustee, my commitment is to:

- Increase graduation rates for students so they can achieve their full career potential.

- Ensure Public Safety at College Campuses for students and staff.

- Fund more core classes so students can move forward faster to 4-year University and/or career.

- Work with school districts and public charter schools' staff to ensure high school students receive the support and resources needed at RSCCD.

As a member of the RSCCD Board of Trustee Area 3, I'll fight for affordable tuition so that every student has access to a quality college education; partner with Businesses to increase employment opportunities for students. My promise is to deliver these commitments without raising your taxes.

I am endorsed by Senator Gloria Romero (ret.), Rancho Santiago Community College District Trustee President Sal Tinajero, students, and community leaders. With your vote, together we can move our students' College Education forward and make the Santa Ana Community College Experience Great Again!! Please reach out to me!! (714) 485-6396 or iglesias4rscdd@gmail.com.
