

**TINA ARIAS MILLER**

Trustee, Rancho Santiago Community College District  
Area 7

I am Dr. Tina Arias Miller, your elected Trustee RSCCD Area 7.

Having earned my Doctorate in Educational Leadership and a parent to four OUSD K-12 graduates who are attending local colleges and currently serving in the military, I have a long-vested dedication to our local educational landscape.

As your Trustee, I bring over 20 years of knowledge and experience with community college and K-12 partnerships to successfully expand our college programs and adult education opportunities. My commitment is to continue to support student-centered approaches and academic excellence in our schools and colleges.

Some of the RSCCD accomplishments that I am proud to share include the expansion of career and technical programs, apprenticeship offerings, and Bachelor degree and university transfer programs which have resulted in achieving top ten ranking status in the state for both Santiago Canyon College and Santa Ana College.

I have supported to keep higher education affordable for our community college students, many of whom who have benefited to secure their academic and career goals.

I would be honored to receive your vote for re-election to continue the work that I am passionate about.

Vote Dr. Tina Arias Miller for RSCCD Trustee Area 7 on your ballot.
