

## **JAN VICKERS**

Incumbent

Continuing as a trustee in Laguna Beach Unified is a priority for me supporting the myriad components that lead to success for all students. Public education serves a diverse population with differing needs.

Currently we focus on three Collaborative Commitments: Continuous Improvement, Every Student Every Day and Relationships Matter. This drives the work requiring flexibility to adjust, change and meet needs. I have demonstrated the necessity for the board to work as a team. We study and discuss reaching decisions based on majority and then support the decisions moving forward.

Policy work is critical. Regular review utilizing policy workshops keeps our many policies current with laws and district focus.

I have a record supporting fiscal stewardship, budget planning and strong reserves to meet community funded district obligations.

This year began implementation of work in sustainability with a goal of being carbon neutral by 2030 and environmental literacy spanning all grades K-12 preparing our students to be globally aware and responsible world citizens.

There is more work to be done to guarantee Laguna Unified provides the most opportunities and challenges for our students. You can be confident I will continue my dedication to LBUSD. I am dependable, consistent, prepared and present.
