

SCOTT MILLER

Parent/Laguna Hills Commissioner

I am a dedicated and concerned parent, step-parent and grandfather. I am deeply committed to ensuring that every child in our district receives a high-quality education that prepares them for success.

Our schools are the heart of our community and they must be safe for all students. I will ensure that every tax dollar spent in our schools translates into meaningful student improvements.

My background as a United States Marine and as a city mayor has instilled in me the understanding of sacrifice and service to country and community. Working with the US Congress and Senate, I collaboratively worked to bring much needed resources into our communities. I will use these same skills to help our kids become the most successful students in California.

Together, we can build a brighter future for our students. I ask for your support and vote to make this vision a reality. Let's work together to ensure that every child in SVUSD has the opportunity to thrive.
