

MICHELLE O'BRIEN

Parent

I'm running to serve our community because students deserve a quality education in a safe environment. Students, parents, guardians and taxpayers are being ignored. My goal is academic excellence. Even if you don't have children or grandchildren in the district, your property values are affected by the quality of our schools and test scores.

I also support Parental Rights, Transparency, Accountability, School Safety and School Choice.

As a 30+ year resident in Area 3 my children and grandchild attended Saddleback Valley Unified School District (SVUSD). Every child is unique, and we should prepare them by providing opportunities to attend college or trade school.

My experience includes 13 years leading educational tours, hands-on activities to K-College students, Garden-in-Every School Program lead and water education training for teachers. I am also an active volunteer for: Mission Viejo/Saddleback Valley Elks Lodge; Operation Underground Railroad; and Morale Boosters – Law Enforcement.

Please join the following supporters by voting for me:

Orange County Board of Education Trustees: Dr. Lisa Sparks, Mari Barke, Tim Shaw, Dr. Ken Williams, and Jorge Valdes

Mission Viejo City Council Member, Robert Ruesch

Lake Forest City Council Member, Scott Voigts
