Business Owner/Mother

I'm an active PTA mom and volunteer, local business owner, and longtime resident who has lived and worked in South Fullerton for 20 years. I'm running for Fullerton School District Board to give our neighborhoods a voice and create a stronger future for our children, families, and schools.

Like many, I'm from an immigrant family. I came to this country as a child, navigating the public school system as an English learner. I excelled, attending Fullerton College and double majoring, graduating with honors from Cal State Fullerton, attending on scholarships. I know what it means to work hard and sacrifice for family.

As a parent of two daughters enrolled in Fullerton public schools, I'm deeply invested in our community and ensuring all students achieve their highest potential. As the English Learners Advisory Committee President, I represent multilingual families across our district, working to improve student outcomes.

I will advocate for every child, close achievement gaps, increase parent participation in schools, and address student mental health needs. I will be the champion our students and parents deserve.

I would be honored to have your vote. Join teachers, parents, and community leaders in building a brighter future for our kids.

Proudly endorsed by Congressman Lou Correa!
