

**JUSTIN RODGERS**

Appointed Governing Board Member, La Habra City School District

As a dedicated parent and active community member, I am honored to announce my candidacy for the La Habra City School District Board of Education. Currently serving on the board, I have gained valuable insights that fuel my passion for fostering positive educational outcomes for all students.

My journey with La Habra schools began when my child first entered school. I served as PTA president, on the School Site Council, and on the Measure O Citizens Oversight Committee, ensuring responsible spending of bond funds. My experience as an Eagle Scout and volunteer work with my child's Cub Scout pack has strengthened my leadership skills and commitment to the youth in our community. A vacancy on the school board allowed me to further impact my child's education and that of every child in the district.

I have championed transparency and accountability, believing open communication between the board, parents, teachers, classified staff, and the community is essential. My vision focuses on a hands-on approach to innovative teaching, comprehensive support services, and equitable resource allocation. I ask for your trust, support, and vote to continue this important work. Together, we can build a brighter future because when we believe, our students achieve!
