

FRANCES MARQUEZ

Cypress City Councilmember

I'm Dr. Frances Marquez, and I'm asking for your vote for Orange County Supervisor.

Our County Government needs a fresh start. We need to end the era of corruption and self-dealing. It's time we focus on serving our taxpayers and delivering results.

As a Cypress City Councilwoman, I called for accountability and demanded transparency when voting on contracts and our city budget.

My roles as a college professor and policy director were dedicated to creating more opportunities for students, working families, small businesses, veterans, and seniors.

Orange County gave my family a strong foundation for a successful life. My father was a Korean War veteran, and my mother worked as the bookkeeper at our family's farm. Their hard work allowed them to become homeowners. Cypress public schools prepared me to earn a Bachelor of Arts in History from UCLA, a Master's in Public Policy, and a Doctorate in Political Science from Claremont Graduate University.

As your County Supervisor, I will expand opportunities for working families by:

- Creating good-paying jobs and addressing rising housing costs
- Preventing homelessness by expanding access to mental health and supportive services
- Investing in public safety and reducing crime
- Protecting reproductive rights and abortion access
