

MIKE MUNZING**AGE: 60**

Mayor, City of Aliso Viejo/Businessman

It's been a tremendous honor to serve this wonderful community since I joined the city council in 2013.

My leadership and experience have led to a proven track record of standing for Aliso Viejo's residents, including:

- Leading the fight to stop a \$213,000,000 tax on Aliso Viejo's property owners in 2022

- Blocking draconian regulations that would have hurt homeowners and businesses

- Protecting private property rights by stopping many proposed ordinances

- Safeguarding Aliso Viejo's financial health by stopping a \$20,000,000 boondoggle

- Creating greater transparency by televising council meetings

- Strategizing the refinance of the Aquatics Center, easing our resident's tax burden

- Leading the council to take a hard stand, which saved the AWMA Bridge

- Influencing the council to preserve and restore the Aliso Viejo Ranch

I'll work to preserve and enhance Aliso Viejo's special quality of life by ensuring our residents are protected by the finest and fully-funded police and firefighting forces, keeping it one of the safest in the nation and a beautiful place to live.

For decades, I've been an active resident in South OC and my wife and I have proudly called Aliso Viejo our home since 2007.

I respectfully ask for your vote on November 5th.
