

NORMA CAMPOS KURTZ

City of Anaheim, Appointed City Council Member

Anaheim is an incredible city with vibrant neighborhoods, great parks, diverse families, and a special sense of community. As your Councilmember, I'm working hard every day to improve and protect our city's quality of life and move us forward.

My record on the City Council includes:

- Reducing homelessness by addressing mental health and housing.

- Keeping neighborhoods safe and ensuring fast 911 response times.

- Making needed renovations to Betsy Ross and Paul Revere Parks.

- Expanding library hours and improving programs for youth and seniors.

- Increasing transparency at City Hall and implementing ethics reforms.

- Helping Anaheim businesses grow and create good jobs.

Prior to being appointed to the City Council in 2023, I served on the Anaheim Public Utilities Board and on Anaheim's Housing and Community Development Commission. I'm also a board member for Anaheim Beautiful, a nonprofit that works to enhance local neighborhoods.

My professional career included working as the Vice President of the California Medical Association, the Director of Workforce and Economic Development for the Orange County Labor Federation, and as an associate Vice President at Pacific Bell.

Feel free to contact me directly at (714) 576-0811 or Norma@NormaCamposKurtz.com.

I'm proud to be endorsed by Anaheim firefighters, police officers, and municipal employees. I hope to earn your support.
