

**MARTY SIMONOFF**  
Councilmember/Businessman

**AGE: 74**

My position has always been "what's best for Brea?" To ensure that, I have an "open door" policy and listen to our community. I am proud to have been part of the team that has made Brea a premiere city.

We are a fiscally sound community, always balancing the budget with more than adequate reserves, while allowing Brea to invest millions in a separate account which reduces future pension obligations.

My goals include:

Being retired from Law Enforcement, I bring a dedication to deliver excellent public safety services, while enhancing those services.

Continuing our fiscally sound approach, while maintaining important valued community services.

Dealing with pension reform in a responsive manner with an overriding objective to live within our means.

Continuing to maintain Brea's infrastructure (streets, sewer, water, etc.)

Supporting the work of the Community Project, allowing the Council to embrace your vision for the future of Brea, and working to make it a reality.

If you want a leader who puts you first and has the proven experience to make things happen, then please vote for Marty Simonoff.
