

THOMAS DONINI

Retired Business Professor

As a 25 year Brea resident I have had opportunity to serve in appointed positions that have prepared me for the Brea City Council. My appointments include Chair of the Cultural Arts Commission, Arts in Public Places Committee, Chair of the Parks, Recreation and Human Services Commission, and Brea Planning Commission.

Professionally my career experience has been in leadership roles as a University President, College Professor and Vice President of a publicly traded corporation.

I have served in the US Army/California National Guard.

My educational experience includes degrees in Education, Counseling and Human Resource Management.

I am a strong advocate for a safe, prosperous City of Brea. I strongly support the adoption of the Integrated Crime Center (ICC), the continued development of a vibrant Brea Downtown and preserving the character of our many unique neighborhoods.

The current City Council is made up of elected officials that have been "on the job" for decades. Although Brea has no term-limit policy, it is time for long term incumbents to give way to fresh insights.

Allow me to be your voice at City Hall. Vote for Tom Donini for Brea City Council.
