

BILL KLOVSTAD

Brea Business Owner

My wife of 42 years, Fran, and I have two children and have been blessed with eight grandchildren. Together we own El Rodeo Equestrian Center on Carbon Canyon Road. In addition to regularly scheduled horse shows, our personal passion is partnering with LAPD and Operation Progress mentoring and shaping a positive future for our youth.

I'm a military veteran and active volunteer serving the community as a leader of the Large Animal Rescue Program recently implemented by the OC Board of Supervisors. I lead a team of 200 volunteers, working with the OC Sheriff, OC Fire Authority, and Brea First Responders to act when necessary to protect our beautiful hillsides, horses, and pets during devastating fires.

As your city councilor, I look forward to improving transparency and working professionally alongside my colleagues to solve problems and bring a fresh perspective to future projects affecting our city. I will ensure fiscal responsibility while enhancing law enforcement and first responder services.

With 40 years of business experience, maintaining a team environment with honesty, integrity, and enthusiasm while improving communications with the public is my goal. It's Time for Change; I'm respectfully asking for your vote to make it happen.
