Buena Park Commissioner

I'm a true Buena Park local who's attended all public schools in Buena Park (K-12). As a teen I began my journey in community service and today I understand how clean and safe streets, and a healthy local economy is imperative to our city.

I've helped our youth advance their education and careers. From a keynote speaker for "Buena Park Goes To College" to representing CSUF at college fairs and helping first-generation college students, like myself, through the Academic Advisement Center on campus. It takes a village to raise a child and I plan for the continuity of helping Buena Park families thrive.

Recently, I've served as Vice-Chair for the Human Relations Committee for the City of Buena Park embracing social fairness. I'm involved with the Buena Park Sister City Foundation, focusing on cross-cultural understanding and serve on the Board of Giving Children Hope, aiding vulnerable children and families.

With a lifetime of service centered around Buena Park, I now hope to give back to a community that has given me so much. I will continue to bridge gaps across cultures, generations, and experiences in the city where my family first put down their roots. I humbly ask for your support and your vote.
