

**YONG "CHUY" CHOI**

Planning Commissioner/Businessowner

I'm not a politician; I'm a family man and a small business owner dedicated to serving our community. I believe in building not just homes but stronger communities, deeper engagement, and greater trust. As your City Councilmember, I will bring the same principled approach to our city governance that I apply in my business and personal life. My priorities for District 2 are as follows: Enhance Public Safety—I will ensure our neighborhoods are secure and well-protected. Address Homelessness—I'm committed to developing compassionate and effective solutions for homelessness and substance abuse issues. Create Economic Opportunities—I will work to attract new businesses and create job opportunities for residents. Promote Affordability—I will strive to make Buena Park more affordable for all families and individuals. Environmental Stewardship—I recognize the importance of protecting our natural resources. I am passionate about implementing green initiatives that promote sustainability and reduce our environmental footprint.

Let's build a brighter future together. I invite you to join me in building a better Buena Park. Together, we can bring about positive change, foster unity, and ensure a prosperous future for all our residents.
