Dear Buena Park Residents,

I am John Dade, and I am running for the Buena Park City Council seat in District 3 to be your voice on Council.

I have lived in Buena Park for 34 yrs. My wife was born and raised here.

I have walked the neighborhoods in our District 3 and listened to you as you shared your concerns with me.

We are all impacted by the increasing homeless population in our neighborhoods and around our businesses, parks, and places of worship.

We all share the worries about the increasing crime in our neighborhoods and for the safety of our children as they walk to school or go to play in our public parks.

You shared that your voices are not being heard by our City Council.

I hear you.

I want to be your voice on the City Council and take your concerns to the other council members for resolution.

I will bring my 20 years of experience as a business owner and thirty as a Financial Professional along with a commonsense approach to the issues that matter to you.

That is why I am asking for your Vote on November 5th.

Thank You,

John Dade
