

**LAMIYA HOQUE****AGE: 27**

Educator/City Commissioner

As a lifelong resident in the City of Buena Park and a product of our local public schools, it would be an honor to serve my hometown. As a City Commissioner, School Board Member, and Professor at Chapman University, I have devoted my life to public service.

Serving as your School Board Member, I have worked to address school safety and approve a balanced budget every year. I have been your champion on our school board; I'm ready to bring my community-first vision to City Hall as your next City Council Member.

I will work to make Buena Park more safe and beautiful. I will invest in public safety, keep utility costs affordable, support local businesses, protect our parks, add art in public places, and plant more trees.

As a homegrown leader, I am humbled to be endorsed by all current Buena Park Council Members, city commissioners, school board members, and countless residents. I am also endorsed by the Orange County Firefighters and Buena Park Police Association.
