

PAUL GONZALES

County Safety Representative

As a resident and local small business owner for the past 35 years, I am especially grateful for all of the blessings that Buena Park has provided to my family and myself. I am employed by the Orange County District Attorney's Office for over 25 years and it is my profession as a safety representative to look after the safety and well-being of over 1,000 employees.

I previously served as Chairman of the Buena Park Planning Commission and Chairman of the Buena Park Traffic Commission. I am a graduate of California State University Long Beach with a degree in Public Administration. I am a Buena Park homeowner and know the tremendous financial costs we are all burdened with while trying to raise a family and survive in this period of rising inflation, energy costs, gas prices, grocery prices and just about everything else.

This election cycle will be like no other and I hope to keep special interest groups and extreme party politics out of our great city! I will not ask anything of you, but for the chance to look out for your well-being just as I serve my co-workers, neighbors, friends, and family.

Thank You,
Paul Gonzales
