

**FRED JUNG**

City of Fullerton Councilman

Dear Neighbors,

As your current Fullerton City Councilman, I am honored to serve our community and ask for your vote to continue our progress. Raising my five children here, I am invested in our city's future.

I am proud to have earned the full endorsement of Fullerton's Police Officers and Firefighters, because they trust my proven track record and my vision for Fullerton.

As a small business owner, I have the experience to make government more efficient and eliminate unnecessary bureaucracy. Under my leadership, Fullerton has seen significant gains in public safety, economic revitalization, better public services, and more green spaces.

I have ensured responsible fiscal management and transparent allocation of your tax dollars. My initiatives have already led to increased city revenue, improved public services, and repaired streets and roads

We must continue our good work. Together, we will:

- Invest in public safety to keep our neighborhoods safe.

- Continue road maintenance and upgrade public facilities.

- Furthering Fullerton's economic success by supporting local businesses and attracting new ones to keep our city flourishing.

Vote for proven leadership by re-electing Fred Jung for Fullerton City Council.

Together we can continue to build a stronger, safer, and more prosperous Fullerton.

Thank you.
