

SCOTT MARKOWITZ

AGE: 67

Senior Data Analyst

Fullerton is an incredible city. It can be so much better.

I have lived here for over 2 decades. I brought my kids up here. I have seen this city decline with the same failed leadership over and over again.

As a long time credit union analyst, I know that our city budget is blown out of proportion. We must reign back spending if we are to have a successful government - and we need someone with the financial skills to do it.

We need America First patriots to step up and get our city government out of the way of our citizens. We need a city that fights for our individual liberties, for strong law enforcement, and for our local businesses.

I ask for your vote to elect me as a Councilmember with real conservative values and who isn't tied to failed policies of the past.

Vote for Scott Markowitz!
