

JOHN R. O'NEILL

AGE: 58

Garden Grove City Council Member

Garden Grove is a beautiful place to grow up, work and raise a family. I am a lifelong resident of Garden Grove and attended local schools, ran my own business here, and chose to raise my family on the same street as my boyhood home. A master electrician, I worked my way up from an apprentice to owning my own contracting business. I know the value of hard work and I'm proud of what I've been able to accomplish these past eight years as your City Councilman. We have a balanced budget, a robust business community, excellent Police and Fire agencies and continual major improvements to our infrastructure.

With your help, I would like to continue working for you as your next Mayor!

We deserve a Mayor who's fighting to improve the quality of life for all our residents, protecting our neighborhoods, schools, and promoting responsible development. My number one priority as your Mayor will be to ensure that your voice is heard at City Hall, and policy moving forward will focus on your input and desires.

As your neighbor, I humbly ask for your Vote this November 5th.
