

YESENIA MUNETON

Substitute Teacher/Parent

Hello neighbors, my name is Yesenia Muneton, and I am running for Garden Grove City Council. I am a 31-year Garden Grove resident and a proud graduate of the Garden Grove Unified School District. My husband and I are raising two toddlers here in our city instilling strong family values which I will use to guide my decision making when serving on the council. I am a credentialed teacher, having received my Masters in Teaching from Chapman University.

Once elected, I will work tirelessly to ensure we have safe, well-maintained parks that bring neighbors together, enriching the lives of our children and families and maintain our community values.

I believe that small businesses are the backbone of our local economy. I will advocate for policies that provide support and resources to help them thrive, creating jobs and fostering a vibrant, prosperous community.

Lastly, I will prioritize community policing and public safety to ensure our city is a secure place to live and work.

Together, we can make Garden Grove an even better place to live. I humbly ask for your support and your vote. Let's work together to create a safer, more vibrant, and prosperous Garden Grove for all residents.
