City Councilmember, City of Huntington Beach

Dear Neighbor,

Huntington Beach is an incredible city with unique neighborhoods, vibrant businesses, great schools, and a special sense of community. As your Councilmember, I've done my best to listen to our city's residents and work hard to advance policies that protect our quality of life and move us forward.

My record includes fighting to:

- Maintain safe neighborhoods and ensure fast emergency response times.

- Reduce homelessness by investing in mental health outreach and care.

- Support HB libraries and strongly oppose the effort to privatize them.

- Protect our environment and ensure clean air and water.

- Promote transparency at City Hall and root out corruption.

I'm a small business owner, father, and longtime Huntington Beach resident who has served on our City Council since 2020. I've also served as a reserve firefighter with the Orange County Fire Authority, Huntington Beach Planning Commissioner, President of the Bolsa Chica Land Trust, and long-time volunteer at the HB Senior Center.

I'd be honored to earn your vote and continue serving Huntington Beach.
