

LISA LANE BARNES

Businesswoman/Huntington Beach Commissioner

I am running for the office of City Clerk to protect citizens election rights, advocate for transparency and strengthen the vital link between our community and city government.

As the city elections official, I am dedicated to ensuring that our electoral processes adhere to our City Charter requirements. Uphold the voice of the voters, who demanded stronger safeguards and ballot protections. Ensure credible elections that provide more in-person polling places and secure drop boxes to help balance access and security, allowing residents to vote confidently and securely. I will fight for voter integrity.

The City Clerk serves as the central point where citizens interact with their local administration. I am dedicated to bridging the gap between residents and the decision-making processes that shape our community.

My background as an accomplished business professional equips me with the necessary skills for this critical role. Throughout my career, I've driven operational excellence within a global organization, honing my organizational abilities and attention to detail. These transferable skills seamlessly align with the responsibilities of the City Clerk.

Your vote and your voice matter!
