

JING SUN

Father/Irvine Commissioner

After coming to this country 25 years ago, I earned my MBA at UCI. For more than a decade, my wife and I have lived in Irvine and raised our two daughters. Meanwhile, I have been a leader for civic engagement in the Chinese American community.

It has been my honor to serve on the Irvine Community Services Commission for nearly four years, and this past January, my colleagues unanimously elected me to chair the Commission. I have spent many hours evaluating grant proposals and making recommendations to the City Council for the funding of programs to improve the lives of our low- and moderate-income residents, especially youth and elders. I have also consistently worked to improve our city's outstanding parks, recreational facilities, and cultural events. I also serve on the Irvine Children, Youth and Families Advisory Committee, helping to identify opportunities for innovative ways to address family needs in Irvine.

My priorities as your Councilmember will be to ensure that our district's neighborhoods thrive as newer neighborhoods continue to grow, to promote housing that's affordable for Irvine's workforce, and to make Irvine a leader in sustainability.

Please join me in helping to make Irvine an outstanding city.
