Appointed City Councilmember

Hello La Habra! I am Councilmember Carrie Surich. You may know me from my work with La Habra Meals on Wheels, my many years of service with our local veterans and seniors and the La Habra Woman's Club. Before being appointed to City Council, I served as a La Habra Planning Commissioner and Community Services Commissioner for a total of 8 years, and I have been involved in projects such as a few new parks like Las Reinas La Habra Woman's Park, and the 17acre Vista Grande Park just to name a few, new businesses and community efforts like "Love La Habra".

I have lived in our unique community for over 34 years, along with four generations of my family. This is where my heart is and I want to continue my decades of service as your Councilmember. My only ambition is to improve and protect our caring community. I pledge to support public safety foremost, protect and expand our open spaces and parks, and to promote and attract quality businesses to La Habra. I will use my 34 years of experience to support and grow our local economy, and continue to provide the services, resources and amenities we expect from our local government. La Habra is truly a Caring Community and I pledge my continuing service with integrity, compassion and common-sense. La Habra deserves every voice at City Hall that stands against rampant redevelopment, protects public safety and finds solutions for the unhoused. Together, we can fight increasing traffic, stand for local control and protect our quality-of-life.

I am endorsed by Mayor Daren Nigsarian, Mayor Pro-Tem Rose Espinoza, Councilmember Jose Medrano, Councilmember James Gomez, former Councilmember Steve Simonian, City Commissioners, our State Assemblymember Blanca Pacheco and many of our businessowners. They all trust me to lead, and I will honor your vote with dedicated, accountable and faithful service in defense of our shared values. Thank you, La Habra!
