

ROSE ESPINOZA

Mayor Pro Tem

After having loss my run for City Council in 1992, 94, and 98, I asked you in 2000 to once again walk into the voter booth and mark my name as the candidate of your choice. You voted me to the La Habra City Council in December of 2000! Thank you!

My first term on the council brought a 650,000 sq. ft. retail and restaurant space at Westridge Plaza, which brought Kohl's, Lowe's, Walmart and Sam's Club to La Habra. My other terms brought Costco, CVS Distribution Center, Sprouts, Trader's Joe, Amazon Fresh and more.

Public safety services, recreation, dining out, senior activities, youth summer camp, daycare, theatre and concerts are some of the activities/services to fill your weekday and weekends.

Housing stock is growing and homeless issues are staying steady in La Habra.

I attended K-12 schools in La Habra, received my AA degree from Fullerton College and BA degree from California State University Fullerton.

As a lifelong resident of La Habra, I've never felt a reason to leave this city that is often described as a city with a small town feeling.

I am proud to have been a part of the historic growth in La Habra for the last 23 years and I humbly ask for your vote on Nov. 5.
