

MICHELLE BERNIER

AGE: 50

La Habra Commissioner/Parent

La Habra needs a councilmember who listens to the community, who advocates for neighborhoods and works for hard-working families.

I am running to be that councilmember and I hope to earn your vote.

I have lived in La Habra for the past 50 years and began volunteering as a young child with my parents for the La Habra Little League. In my early 20's, alongside my husband (a La Habra resident 45 years), we helped with the La Habra Fire Department Annual Toy Drive and eventually created our own Annual Toy Drive 15 years ago.

As our family grew, so did our involvement. I became active in the PTA and Boy Scouts. In 2016, I was unanimously chosen by the La Habra City Council to serve on the Planning Commission and reappointed four years later.

My focus has been on increasing affordable housing because our teachers, firefighters and first responders deserve to be able to live in the community they serve.

From organizing my community to helping with youth programs to ensuring working families can live in La Habra, I have a track record of combining core Democratic values with a love of La Habra.

I am honored to have the support of Assemblymember Sharon Quirk-Silva and the Woman in Leadership. I hope you will vote Michelle Bernier for La Habra City Council.
