

WENDY GROSE

Doctor/Nurse Practitioner

I have been a resident of District 1 for more than 30 years. I enjoy living in our family friendly community as well as serving on the board of directors for Precious Life Shelter, St. Isidore Historical Plaza, YMCA, Pink Patch Project, and the Planning Commission. Along with my volunteering, I have my Doctorate in Nursing and work as a Nurse Practitioner in family practice. As your representative, I will address your concerns. Just like you, I too am concerned about the condition of our streets, the speed of cars in residential areas, pot holes with temporary fixes, parental rights, catalytic converter thief, increased homelessness, along with many other issues. Our city and schools have always strived to maintain a blue ribbon quality. It is more critical now than ever with the increased risk of greater government taking away rights away from local cities to support strong leadership and representation on our city council. As your councilmember, we will work together to continue the positive safe Los Alamitos friendly town atmosphere. It will be my honor to represent your voice in our town.
