

## **NANCY SCARBROUGH**

Small Business Owner

Newport Beach is an exceptional community. I respectfully ask for your vote for City Council to protect our neighborhoods and preserve our exceptional quality of life.

Neighborhood Safety: I'm honored to be endorsed by our Newport Beach Police Officers.

"The Newport Beach Police Association is proud to endorse Nancy Scarbrough for Newport Beach City Council - District 2. Nancy is a trusted leader who is dedicated to equipping the Newport Beach Police Department with the essential tools to maintain our community's safety."

Quality of Life: I will preserve residents' right to vote on rezoning and development issues. I support intelligent community planning and oppose inappropriate high-density developments which overcrowd our streets and schools.

For many years, I've championed the concerns of Newport Beach residents on the issues of housing, homelessness and city finances. My qualifications include:

Newport Beach Finance Committee: Taxpayer Advocate who reviews the city budget and supports sound management of our tax dollars.

General Plan Advisory Committee: Neighborhood Advocate who supports high community standards.

Newport Beach Housing Trust: Community Advocate who's working to reduce homelessness while creating housing solutions for young Newport Beach families.

As your new City Councilwoman, I will always put the concerns of Newport Beach residents first. Please contact me at 949-887-6974 or [Nancy@NancyForNewport.com](mailto:Nancy@NancyForNewport.com). [www.NancyForNewport.com](http://www.NancyForNewport.com)
