

EUGENE FIELDS

My name is Eugene Fields. I am a homeowner, OUSD parent, and City of Orange Commissioner with extensive experience in municipal oversight and managing taxpayer funds.

Previously, I served as Co-Chairman and a member of the Orange County Transportation Authority's Taxpayer Oversight Committee. In this role, I oversaw the allocation of \$13 billion from Measure M2 funds, ensuring every dollar was spent on transportation projects approved by voters.

In my roles managing county and state agency budgets, I've successfully handled budgets of up to \$1 million, managed resources and personnel, and addressed taxpayer concerns effectively.

I am honored to have the endorsement of Assemblyman Avelino Valencia, as well as Councilmembers Denis Bilodeau and Jon Dumitru.

As a City Commissioner under Mayors Mark Murphy and Dan Slater, I collaborated with Councilmember Dumitru to secure \$850,000 in federal funding for our city.

In these challenging financial times, transparency and accountability are crucial. If elected as your Treasurer, I will engage with the community and prioritize your concerns.

Serving the citizens of Orange and the taxpayers of Orange County has been a privilege. I respectfully ask for your vote to continue my service as your Treasurer.
