Educator

Hello, I am Tom Hummer. I am a Placentia native who moved here at the age of 6 with my family. I attended Brookhaven Elementary, Tuffree Jr. High, and graduated from El Dorado High School in 1983.

Although I moved away for a while, my parents have been here for 54 years and I've always considered Placentia my home. It has my heart. My wife and I are now back home and have been living in Placentia's District 1 for several years.

Throughout the years, I have seen orange groves turn into housing and have seen new businesses thrive. I love our town, and want to see it continue to grow and still maintain that hometown feeling.

What I'll do as District 1's City Council Member, is advocate for strong public safety by maintaining our own police and fire departments, support small business growth throughout our district, and ensure "Old Town" Placentia continues to have good progress while maintaining the essence of this area we all know and love. I look forward to serving our community in District 1.
