

KENNETH STEVENSON

Educator

Placentia is special and as a resident who appreciates all that makes it a great place to live, I seek to be a part of the team that works to maintain and preserve our quality of life. I am eager to bring fresh perspectives and dedicated leadership to our city when addressing improvements that will benefit all residents of Placentia.

I have been in education for over 20 years, and I have been in leadership roles for 15 years. I bring a wealth of knowledge and a proven track record of effective leadership.

If elected, I will help and maintain the following:

Economic: Grow our economy without raising taxes to provide city services

Promote business friendly policies for future growth

Support a balanced budget

Social/Inclusion: Encourage and value resident input and inclusion

With your vote, together we can build a brighter future for Placentia. I humbly ask for your vote and give me the opportunity to become your next councilmen in district three.
