

JEREMY B. YAMAGUCHI

Mayor/Business Owner

As a dedicated and lifelong resident of Placentia, I am honored to run for Placentia City Council. My journey in civic service began early, participating in various community activities such as the Placentia Neighborhood Watch, Cultural Arts Commission, and the Chamber of Commerce. Elected at 19, I became the youngest City Council member in Orange County history.

My background in the Boy Scouts, where I achieved the rank of Eagle Scout, has instilled in me values of leadership, community service, and integrity. With a degree from California State University Fullerton and experience running my own technology company, I bring both practical and innovative solutions to our city's challenges.

Throughout my tenure, I have focused on fiscal sustainability, advocating for cost-saving measures, and reducing wasteful spending to ensure Placentia remains a "Pleasant Place" to live. My commitment to sustainability, technological innovation, and supporting public safety has driven my vision for a more stable and secure community. I have pride in our past, faith in our future, and a vision for a thriving Placentia.

Your support will enable us to continue this journey towards a prosperous and vibrant community. Thank you for your consideration.
