

JOSEPH NGO

Businessowner/Traffic Commissioner

Joseph Ngo is a business owner for over 25 years and recently a City of Westminster traffic commissioner. I live, work and support the City of Westminster as a second home land

At this difficult of economic time, I would like to run for City of Westminster, City Council district 3 to bring all the Jobs back to the City of Westminster. City of Westminster will create more jobs for the services office and all the services have to be done at the city hall and as quickly as possible to solve all the problems for business and for everyone in the City of Westminster.

I would like invites people to come, live, work, support and protect the public safety for everyone in the City of Westminster, and for all the travelers from around the world to the City of Westminster.

Please vote for Joseph Ngo on November 5, 2024. We will work together to bring back Jobs, Safety, and make the City of Westminster as a beautiful home for everyone.

Thank you for your supports and your votes
