

JESS BATTAGLIA

Businessman/Parks Commissioner

Yorba Linda is a special place to call home. I ask for your vote to safeguard our quality of life by providing family-friendly leadership and conservative financial management.

As our new Councilman, I'll fight to preserve local control against interference from state politicians. Yorba Linda residents - not outsiders - should make housing, development, and planning decisions that affect our neighborhoods.

My priorities include:

Protecting Public Safety: Support our Deputy Sheriffs. Endorse Proposition 36 to reform permissive state laws and stop organized 'smash and grab' robberies.

Reducing Homelessness: Support a tough love approach requiring medical treatment for mentally ill and drug-addicted homeless individuals.

Keeping City Hall Accountable: Serve as a Taxpayer Advocate to provide the highest level of public oversight with our tax dollars.

On a personal note, I'm a 42-year resident of Yorba Linda and Esperanza HS graduate. Earned Business Administration degree from CSUF and Master's from Brandman University. My wife and I are blessed with three children.

As a local businessman, homeowner, and parent leader, I've been actively involved in supporting quality education for Yorba Linda youth. Currently serving as Chairman of our Yorba Linda Parks Commission.

I would be honored to represent you. Please contact me at 714-595-5390 or Jess.Battaglia@gmail.com. YesForJessYL.com.
