

PANO FROUSIAKIS

Nonprofit Executive

As a dedicated Public Works Commissioner in Huntington Beach, I have a proven track record of enhancing our community's infrastructure while ensuring fiscal responsibility. During my tenure, I oversaw the approval of Huntington Beach's Water Master Plan, serving nearly 200,000 residents and setting a blueprint for our city's water future. I understand the practicalities and innovations needed in water management. I am committed to fighting for local control, reducing unnecessary water rate increases, and implementing innovative, market-based solutions to secure our water future. I will prioritize transparency, accountability, and community engagement, ensuring that every decision benefits our residents.

I am honored to have the endorsement of Orange County local leaders in city government and water management. These endorsements reflect my commitment to our community and my ability to bring effective leadership to the Municipal Water District of Orange County. Together, we can achieve a more efficient, cost-effective, and sustainable water system for Huntington Beach, Costa Mesa, and Seal Beach. Vote for Pano Frousiakis for a fresh perspective and dedicated leadership in water management!
