

KATE SANCHEZ

REPUBLICAN

California State Assemblywoman

I'm proud to have served as your State Assemblywoman for the past three years — and of all we've accomplished.

California families and business owners are paying more, feeling less safe, and growing weary of progressive Sacramento politicians moving further out of touch with the real world. That's why we need a strong, proven, conservative leader that will stand firm and deliver results.

I have successfully authored legislation to improve your safety and quality of life, including bills to: make sex trafficking a serious felony, make any AI-generated child pornography a felony, and to ensure crime victims are notified before the criminal who harmed them is considered for parole.

I'm a bold leader bringing conservative common-sense solutions to California.

As your Assemblywoman, I'll continue to support policies that: prohibit spraying dangerous pesticides in our neighborhoods, oppose illegal immigration, lower taxes, reduce the high cost of living, increase wildfire preparedness and availability of affordable homeowner insurance; eliminate fraud and wasteful government spending, and prohibit the early release of felons.

I'm honored to have earned an "A" rating from the Howard Jarvis Taxpayers Association. I've never voted to raise your taxes (and never will) - and I'll always defend Proposition 13.

As a mother, I'll protect parental rights and fight to keep males out of female sports and private spaces.

I'm proud to be endorsed by the California Republican Party and respected law enforcement leaders, including Sheriff Don Barnes and Sheriff Chad Bianco.

I respectfully ask for your vote and continued support.
