PAUL GONZALES
Staff Specialist/Businessman

I have been a resident of Orange County for 45 years and local small business owner for the past 35 years. I live in Buena Park with my daughters Paulina, attending Chapman University and Emily, attending Kennedy High School. I am currently employed by the Orange County District Attorney's Office and have been working there for over 25 years. I am a graduate of California State University Long Beach with a degree in Public Administration and have applied it to my profession as a Safety Representative for Orange County, looking after the safety and well-being of many employees.

I have served as a Member of the Buena Park Planning Commission for over 8 years and Member of the Buena Park Traffic Commission for 8 years. I am a Tier II Volunteer for the Anaheim Union High School District, working with the Walker and Kennedy High School Show Choirs.

I am also a small business owner working for over 35 years at the Cypress College Swap Meet selling watch batteries and bands on Saturdays and Sundays.

Our community colleges are a tremendous benefit to our residents seeking further education, enhancing job training skills, and offering career changing pathways. I'll work hard to ensure our colleges stay ahead of the rapidly changing demands of today's society.

I sincerely appreciate your vote!
