JESUS SILVA **AGE: 62**

Teacher/Business Owner

I have dedicated my career to uplifting the lives of students and improving our community.

First, as a teacher for Fullerton School District's Nicolas Junior High School, where I taught math for over two decades.

Then as a Fullerton City Council Member and Mayor, where I addressed homelessness, invested in roads, and helped neighborhoods during the unprecedented challenges of COVID.

I am running for the North Orange County Community College District Board to use my unique educational and civic experience to ensure that everyone has access to high-quality and affordable education.

On our Community College Board, I will focus on providing students with the resources needed to earn an associate's degree, further their education by transferring to a four-year college, or begin their professional career.

I will increase training programs, workforce development, student housing and partnerships with the private sector, trade associations & municipalities.

I am honored to be endorsed by Assemblymember Sharon Quirk-Silva, Congressmembers Lou Correa & Linda Sanchez, State Senator Tom Umberg, Assemblymember Avelino Valencia, Orange County Supervisors Katrina Foley & Vince Sarmiento, hardworking union families, and many more school board members, elected officials and community leaders.

I hope to earn your support as well. With your vote I will be a Board member who opens doors, creates opportunities, and speaks for all of North Orange County.
