Appointed Trustee, Coast Community College District Governing Board

As Trustee for Coast Community College District, Area 3, it is an honor and a privilege to serve you. I am a lifelong West Orange County resident and former Mayor of Huntington Beach who understands and cares deeply about our community's educational needs. Golden West College, Orange Coast College, and Coastline College are among California's finest community colleges, and strengthening and protecting these esteemed higher-education institutions are my priorities.

I am committed to ensuring our community colleges provide an affordable, accessible, and relevant education that meets current and future workforce demands. I will expand our dual-enrollment programs, giving high school students a jump on their college degrees. I will increase our career technical education and apprenticeship programs, providing graduates with training and opportunities for well-paying jobs. Additionally, I'll grow Golden West College's Encore program, providing lifelong learning opportunities for older adults in our community.

Every dollar in our budget is critical, and I have a track record of managing taxpayers' money responsibly and transparently. I will keep the budget balanced, build cash reserves, advocate for state funding, and uphold our Fiscal Stability Plan. Aligning spending with revenue will keep our colleges top-ranked year after year.

I am grateful to be your Trustee for Area 3 and humbly ask for your vote.
