KARIMA FELDHUS **AGE: 62**
Executive Dean

It is an honor to seek your vote for the South Orange County Community College District Board of Trustees.

For more than 30 years, I have dedicated my career to public higher education. I have had the privilege of serving as a dean at both Irvine Valley College and Saddleback College, working alongside faculty, staff, administrators, and community partners to expand educational opportunities and strengthen our colleges.

As Executive Dean of Extended Learning at Saddleback College, I oversee programs that provide lifelong learning, workforce training, adult education, and community education to thousands of students each year. I have managed multimillion-dollar budgets, secured grant funding, and developed partnerships that prepare students for meaningful careers while meeting local workforce needs.

As your trustee, I will promote academic excellence, student success, fiscal responsibility, and accountability. I believe public service means listening, making thoughtful decisions, respecting diverse perspectives, and ensuring responsible stewardship of taxpayer dollars. My commitment is to preserve the district's tradition of excellence while expanding opportunities that benefit students, employees, employers, and our community.

I bring experience, integrity, and a collaborative approach to governance. I would be honored to earn your trust and your vote.
