

NATALIE JOHNSON

Appointed Governing Board Member, Brea Olinda
Unified School District, Area 4

As the current Trustee for Brea Olinda Unified School District Area 4, appointed by the Board of Education to fill the Area 4 vacancy, it has been an honor to serve the students, families, educators, and community of Brea. As both a parent of two children attending BOUSD schools and an educational leader with more than a decade of experience, I bring the perspective of someone who understands the importance of strong public schools from both the family and professional viewpoints.

Since joining the Board of Education, I have been committed to thoughtful, transparent decision-making, supporting student achievement, and working collaboratively with fellow trustees, district leadership, staff, families, and the community. I remain focused on maintaining safe and welcoming schools, supporting our dedicated educators, ensuring responsible stewardship of district resources, and providing every student with the opportunity to succeed.

I respectfully ask for your support so I can continue serving Trustee Area 4 with integrity, collaboration, and a strong commitment to excellence for all students.
